Fancy a trip to York for the day?

- But don't want the stress of driving,
- the cost of parking,
- the worry about getting to the bus stop in Bishop Burton,
- Or you don't have access to transport?

Following on from the recent village meeting about transport services in Cherry Burton, we are collecting expressions of interest from all residents, of all ages, who would like to travel to York centre for the day.

It would be by 16-seater minibus, on the *first Thursday of each month*.
Leaving Cherry Burton at 10am and pick up from York at 3pm
Proposed cost for the return trip £15.00

Please call Beverley Community Lift on 01482 868082
to register your interest now
